

“Every day is another invitation to let go.

Every moment the divine is waiting for you to trust,  
When you start to live in Trust, your ego loses its grip  
on you. Beloveds, you are part of the whole already.

The more you trust, the more the whole takes care.

What are you waiting for?

Jump. I am waiting.

'God's Vision' - Maitreya Ishwara

I will catch you. I am love.”
